Dimensions & Weight of Packages

Standard and Insulated packages can hold of maximum of 6 flats total per box. However, shipping a max of 3-4 flats per box is highly suggested. This allows eggs to be dispersed throughout the flats inside the box and limit the impact/breakage points of the eggs during transit.

Standard Packaging

Box Dimensions:

12.5 inches x 12.5 inches x 14 inches

Package Weight per Flats Ordered:

1 flat = 5.6 lbs

2 flats = 9.5 lbs

3 flats = 13.4 lbs

4 flats = 17.3 lbs

5 flats = 21.2 lbs

6 flats = 25.1 lbs

****Approximate weight of your package****

Insulated Packaging

Box Dimensions:

12.5 inches x 12.5 inches x 14 inches
